

# Workbound Exit Survey 2011

## Personal Advisor and Business Mentor Survey

On behalf of the Workbound Board we would like to express our sincere appreciation for your participation in Workbound. Without your guidance and cooperation, the Workbound program would not be able to continue its unique process of helping young people make a successful transition from school to work in our community.

Thank you for taking a few moments to complete the survey. We are constantly evolving the program and your comments and insight is valuable to the viability of Workbound.

If you would like to speak with the Workbound director, please feel free to contact Kym Leibham at [workbound@sbcglobal.net](mailto:workbound@sbcglobal.net) or (920) 207-0222.

If we can assist in helping a student develop the skills and tools necessary to choose a career in which they can be successful, we have a better chance to recruit that young adult back to our community as a valuable and productive member of our local work force.

Thank you for your commitment.
